

FEBRUARY 2009

CURRICULUM VITAE

Lee H. Silverstein, D.D.S., M.S., F.A.C.D., F.I.C.D.

Associate Clinical Professor
Department of Periodontics
School of Dentistry
Medical College of Georgia
1120 15th Street
Augusta, Georgia 30912

PERSONAL INFORMATION

Business Address: Kennestone Periodontics
2070 South Park Place
Suite 200
Atlanta, GA 30339
(770) 952-5432 / Fax (770) 952-3011
E-mail: info@kennestoneperiodontics.com

State Licenses: Georgia Dental License

EDUCATION

Professional: Case Western Reserve University
Cleveland, Ohio
1982-1986
D.D.S.

Medical College of Georgia
School of Dentistry
Department of Periodontics
1986-1988
Certificate in Periodontics

EDUCATION

Professional: Medical College of Georgia
School of Graduate Studies
1986-1988
Master of Science in Oral Biology
Masters Thesis: Bacterial Penetration of
Gingiva in the Adult Beagle Dog with Periodontitis
Medical College of Georgia
1988

Medical College of Georgia/American Academy of
Implant Dentistry
1991-1992
Associate Fellowship Degree obtained

ACADEMIC APPOINTMENTS

Instructor Periodontics and Dental Hygiene Medical College of Georgia Department of Periodontics	1986-88
Assistant Professor Medical University South Carolina Department of Periodontics	1988-90
Associate Clinical Professor Medical College of Georgia Department of Periodontics	1991 - Present
Board of Directors Medical College of Georgia Interactive Internet Distant Learning Center Affiliate	1998 - Present

DISTINCTIONS

First Honorable Mention, Balint Orban Memorial Award, AAP 1988.
Who's Who-Life Member of National Registry (#27034) – 1998 & 1999
Host of Info-Med (A nationally televised medical/dental program) –
1998-Present
Fellow, American College of Dentists - 1999
Editorial Board, Practical Periodontics & Aesthetic Dentistry – 1999
Editorial Board, Esthetique – 1999
Editorial Advisory Board, Dentistry Today – 1999
Editorial Advisory Board, AGD Scientific Magazine- 2000
Who's Who-Life Member of Professional Business National Registry
(#54157) – 2000
Recipient of 2000 Apex Award of Excellence for Principles of Dental Suturing
Recipient of 2000 National Gold Ink Competition for Principles of Dental
Suturing
Fellow, International College of Dentists - 2001
Fellow, Pierre Fauchard Academy, 2001
Editorial Board, Collaborative Dental Techniques, 2002 – Present
Distinction of 100 Top Dentists, 2005, 2006,2007,2008,2009
Editorial Board- Inside Dentistry,2006 - Present
Editorial Board- Functional Esthetics and Restorative dentistry, 2006-Present
Editorial Board- Compendium 2008-Present

FELLOWSHIPS AND GRANTS

1992: Research Grant: Life Link Tissue Foundation
Amount: \$3000
1987: Research Grant: Bacterial Penetration of Gingiva in the Adult Beagle Dog With
Periodontitis
Small Grant Award: \$2000
1997: Research Grant: Life Cell Corporation, Acellular Dermal Matrix –
A Human Study
Amount: \$1000
1998-Present: Nobel Biocare – Clinical Testing – Donated equipment and
financial support
1999: Walter Lorenz Medical – Clinical Testing – Donated equipment and
financial support
1999: Life Core Biomedical – Clinical Testing – Supplied materials and financial
support for histology
1999-Present: Hu Friedy Corporation – Clinical Testing – Donated equipment
and financial support

FELLOWSHIPS AND GRANTS

- 1999: Paragon - Research Clinical & Histological Testing of resorbable products
2001: BioGlobe Technology – Clinical Testing – Provided material for testing
- 2001: Hu Friedy Corporation – Clinical Testing – Design & Testing – Donated specially designed equipment for teaching and testing
- 2007: Biomet 3i Corporation – Clinical Testing – Design & Testing – Donated specially designed equipment for teaching and testing Regeneration Products
- 2008: Zimmer Corporation – Clinical Testing – Design & Testing – Donated specially designed equipment for teaching and testing Acellular Dermal Matrix
- 2008: Zimmer Corporation – Clinical Testing – Design & Testing –Compensated examiner. Donated specially designed equipment for teaching and testing
- 2008: Biomet 3i Corporation – Clinical Testing – Design & Testing –Compensated examiner. Donated specially designed equipment for teaching and testing of New Dental Implants

CONSULTANTSHIPS

SCIENTIFIC PROFESSIONAL SOCIETIES

Alpha Omega International Dental Fraternity
American Academy of Implant Dentistry
American Academy of Periodontics, Active Member
American College of Dentists
American Dental Association
Chairman, Dental Division, The Brennen Home (past Position)
Chairman, Insurance Committee Northwest District Georgia Dental Association(past position)
Georgia Affiliate Faculty/American Heart Association
Georgia Dental Association
Hinman Dental Society
International Association for Dental Research
International College of Dentists
Trustee Ben Massell Dental Clinic/United Way (past position)

PRESENTATIONS

State of the Art Techniques for Alveolar Bone Regeneration around Dental Implants, Alpha Omega Clinicians' Brunch, February 1990-1994
Suturing Course, Alabama Implant Conference, April 1992
AAID Maxi-Course, Placement of Implants, May 1992-1994
Periodontics Update, Alpha Omega Convention, January 1993
Periodontal Update for Hygienists, Hinman Dental Meeting, March 1993
Using Fascia Lata for Regeneration of Bone around Dental Implants, Hinman Dental Meeting, March 1993
PSR (Periodontal Screening and Recording), Emory Dental Study Club, March 1993
PSR (Periodontal Screening and Recording), North Fulton Dental Study Club, March 1993
PSR (Periodontal Screening and Recording), Cobb County Dental Society, April 1993
Periodontal Therapy Update, Georgia State Hygiene Meeting, September 1993
Periodontal Regeneration, Atlanta Implant Study Club, September 1993

PRESENTATIONS (cont.)

- Biologic Rationale of Causative-Related Therapy, Georgia Society of Periodontists Lecture Series to General Practitioners & Hygienists, October 1993
- Bone Regeneration around Dental Implants, Emory Dental Study Club, November 1993
- Periodontal Implications of Implant Dentistry, Case Western Reserve University CE course, December 1993
- Diabetes and its Effects on the Gums, Georgia Chapter of American Diabetes Foundation, January 1994
- Practice Management, Alpha Omega Convention, January 1994
- Microbiota of the Peri-Implant Region in Health & Disease, Midtown Georgia Implant Study Club, February 1994
- How to Incorporate Dental Implants into a Periodontal Practice, Sponsored by 3-I Implant Company, February 1994
- Basic Skills of Root Planing, Hinman Dental Meeting, March 1994
- Microbiota of the Peri-Implant Region, Emory Dental Study Club, April 1994
- Lecture on Implant Placement Maintenance, sponsored by Steri-Oss, February, March & April 1994
- Differential Radiographic Diagnosis for the Placement of Dental Implants, Northside Hospital, Doctors' Monthly Meeting, June 1994
- Linear Tomography and its Critical Use in Precise Implant Placement, Bausch & Lomb-Sponsored Lecture, North Fulton Implant Study Club, June 1994
- Linear Tomography in Conjunction with Pantomography in the Assessment of Dental Implant Recipient Sites, Tucker Study Club, July 1994
- Ailing/Failing Implants, Cobb County Dental Society, August 1994
- Micro biota of the Peri-Implant Region, Midtown Georgia Implant Study Club, August 1994
- Suturing Course, Tucker & South Fulton Study Clubs, sponsored by the Dental Works Laboratory, August 1994
- Periodontal Considerations of Implant Dentistry, Long Pines Dental Study Club, Dallas, TX, September 1994
- Medication-Induced Gingival Enlargement, Georgia Chapter of the American Medical Association, November 1994
- Update in Periodontics, Long Island Jewish Hospital, November 1994
- Overview of Periodontal Therapy, MCG Maxi-Course 1995
- Surgical Suturing - A Clinical Hands-On Course, AAID Maxi-Course 1995
- Periodontal Root Debridement - A Clinician's Approach, Hinman Dental Meeting 1995
- Update in Periodontics, Saint Simons Island, GA, July 1995
- Periodontal Regeneration, Jekyll Island, GA, July 1995
- Tomography, Newport Beach, RI, July 1995

PRESENTATIONS (cont.)

Update in Periodontics, Dallas, TX, September 1995
Tomography, Boston, MA, October 1995
Tomography, AAID 44th Annual Meeting, October 1995
Palm Springs Dentsply Clinicians' Meeting, January 1996
Root Planing Course, Hinman Dental Meeting, March 1996
International Symposium Implant Dentistry, New York, Spring 1996
Periodontal Considerations of Implant Dentistry, Spring 1996
Soft Tissue Conference, Philadelphia, PA, Summer 1996
Medication-Induced Gingival Enlargement, Atlanta Implant Study Club,
Summer 1996
Featured Clinician - Georgia Dental Association Annual Dental Meeting,
Charleston, N.C., Summer 1996
Review of Medications and Effects, Both Intraorally and Systemically, Emory
Dental School Alumni Association, Atlanta, GA, Fall 1996
Surgical Hands-On Course, Orange County, Yorba Linda, CA, Fall 1996
Bone Expansions and Osteotomes, Lecture given for Steri-Oss at American
Academy of Periodontics Meeting, New Orleans, LA, September 1996
Periodontal Treatment Participation Course, Augusta, GA, October 1996
Fourth Annual Winter CE Program, Steamboat Springs, CO, January 1997
Update in Perioimplantodontics, South Metro Study Club, February 1997
AlloDerm®, Dekalb Medical Study Club, March 1997
Hands-On Root Planing Courses, Hinman Dental Meeting, March 1997
AAID Maxi-Course, Peri-Implantitis, Diagnosis and Treatment, April 1997
AAID Maxi-Course, Perioimplantodontics, April 1997
AAID Maxi-Course, Pig Jaw Suturing Course around Teeth and Dental Implants,
April 1997
Suturing Course (all day), International Symposium on Dental Implants, Orlando,
FL, May 1997
Soft Tissue Grafting, Northside Atlanta Dental Study Club, July 1997
Redefining Periodontal Therapy, Medical College of Georgia Department of
Continuing Education, Braselton, GA, August 1997
AlloDerm® AAID Annual Meeting, Atlanta, GA, September 1997
Hands-On Suturing Course, CA, October 1997
Perioimplantodontics, CA, October 1997
Implant Reconstructive Surgery, Miami, FL, November 1997
Aesthetics & Periodontics, Atlanta, GA, November 1997
Aesthetic Reconstructive Surgery, Atlanta, GA, November 1997
Perioimplantodontics, Charleston, SC, November 1997
Hands-On Suturing Course, Toronto, Canada, December 1997
Periodontal Flap Management, Yankee Dental Meeting, Boston, MA,
January 1998

PRESENTATIONS (cont.)

- Managing Peri-Implant Tissues, Emory Alumni Study Club, Vail, CO,
January 1998
- Root Planing Participation Course, Hinman Dental Meeting, March 1998
- AAID Maxi-Course, Perioimplantodontics, Augusta, GA, April 1998
- Peri-Implant Flaps & Suturing, Yorba Linda, CA, April 1998
- Perioimplantodontics, UAB School of Dentistry, Dept. of CE, May 1998
- Perioimplantodontics, UCLA School of Dentistry, CE, Hawaii, July 1998
- Steri-Oss Clinicians' Workshop, CE, Newport Beach, CA, July 1998
- Ridge Expansion & Hard Tissue Manipulation, Northside Atlanta Dental Study
Club, September 1998
- Peri-Implant Flaps & Suturing, Yorba Linda, CA, October 1998
- AAID Maxi-Course, Perioimplantodontics, Washington DC, October 1998
- Suture Course-Pig Jaws, Howard University, CE, October 1998
- Peri-Implant Flaps & Suturing, Yorba Linda, CA, October 1998
- Perioimplantodontics, Youngstown, OH, October 1998
- Practical Predictable Keys to Implant Success, Emory University, CE, Atlanta,
GA, November 1998
- Featured Speaker, Massachusetts Periodontal Society, Boston, MA,
December 1998
- The Treatment Sequence for Complex Fixed-Restorative Dentistry,
Atlanta, GA, January 1999
- BCLS Course, Marietta, GA, February 1999
- Hands-On Root Planing, Hinman Dental Meeting, Atlanta, GA, March 1999
- AAID Maxi-Course, Perioimplantodontics 2-Day Lecture & Hands-On,
April 1999
- Senior Perio Prosthetic Final Seminar, Medical College of Georgia, Augusta, GA,
April 1999
- Medical College of Georgia Continuing Education, The King and Prince Resort,
St. Simons Island, GA, July 1999
- Featured Speaker, Esthetic Determinates of Dental Implant Reconstructions,
Georgia Dental Association Annual Meeting, July 1999
- AAID Maxi-Course, Perioimplantodontics 2-Day Lecture and Hands-On Course,
Howard University, August 21-22, 1999.
- Featured Speaker, The Integration of Soft Tissue Evaluation and Dental Implants
For Long Term Success of Complex Restorative Rehabilitations, Emory
Study Club Annual All-Day Lecture, Atlanta, GA, September 25, 1999
- Featured Speaker, Current Concepts in Implant Dentistry, University of Florida,
School of Graduate Studies, Orlando, FL, 1999.
- Nobel Biocare International Clinicians Symposium, La Jolla, CA, November
1999.

PRESENTATIONS (cont.)

- Principles of Surgical Flaps and Tissue Closure, A Hands-On Course, Yorba Linda, CA, December 1999.
- Surgical Flap Management, Team Day, Orlando, Florida, Biocare Team Day Surgical Closure: A Lost Art, Yorba Linda, CA, February 2000.
- Root Planing and Instrument Sharpening, Hinman Dental Meeting, Atlanta, GA, March 2000.
- Managing Complex Restorative Dentistry and Surrounding Tissues, Buckhead, January 21, 2001.
- Featured Speaker, Chandler Hospital Annual Medical Lecture, Savannah, GA, January 27, 2001.
- Surgical Workshop, Nobel Biocare Team Day, Orlando, FL, February 14, 2001.
- Featured Clinician, Surgical Workshop, American Academy of Implant Dentistry, Midwest District Annual Meeting, Scottsdale, AZ, March 1, 2001.
- Featured Speaker, The Perio-Ortho Relationship and the Changing of Treatment Sequencing, Atlanta, GA, March 2, 2001.
- Perio Prosthetic final lecturer for seniors, Medical College of Georgia, Augusta, GA, March 2001.
- Special Lecturer, Periodontal Aspects of Managing Complex Aesthetic Dentistry, Hinman Dental Meeting, March 15, 2001.
- Special Lecturer, Practical Predictable Keys to Aesthetic Implant Dentistry, Hinman Dental Meeting, Atlanta, GA, March 16, 2001.
- Featured Lecturer, The Aesthetic Zone and Its Successful Rehabilitation: The Dependence on the Restorative and Periodontal Relationship, Ohio State Dental Meeting, Columbus, OH, March 23, 2001.
- Featured Speaker, Aesthetic Dentistry and the Orthodontic Web of Therapy, NWDDS Annual Meeting, Marietta, GA, May 2001.
- Featured Speaker, Principles of Surgical Closure and Surgical Flap Management, AAID Fellowship Course, Augusta, GA, May 2001.
- Featured Speaker, The Use of the Replace Dental Implant System for the Surgical Specialist, Nobel Biocare, Washington, DC, July 2001.
- AAID Maxi-Course, Perioimplantodontics 2-Day Lecture & Hands-On Course, Howard University, July 2001.
- Invisalign and Attainment of a Healthy Maintainable Aesthetic Interface, The Royal College of Surgeons, London, England, July 2001.
- Teaching and The Use of Telecommunications, The Royal College of Surgeons, Edinburgh, Scotland, July 2001.
- Clinical Utilization of PepGen 15. Ceramed Master Clinicians Meeting. Beaver Creek, Colorado, August 2001.
- Heraeus Kulzer Master Clinicians Annual Meeting- Periodontal Aspects of Subgingival Fillings. Lake Tahoe, Nevada, August 2001.
- Guest Lecturer of Craig Misch, Advance Bone Grafting for Dental Implants, Yorba Linda, CA, October 26-28, 2001.

PRESENTATIONS (cont.)

- Guest Lecturer of Donald Calan, Practice Growth Through Esthetic Hard and Soft Tissue Grafting for Conventional and Implant Dentistry, Advanced Hard And Soft Tissue Grafting, Little Rock, AK, November 2-3, 2001.
- Guest Lecturer of Michael A. Pikos, Advance Bone And Tissue Grafting, Creating Surgical Excellence, Tampa, FL, November 15-18, 2001.
- Featured Speaker, Implant Soft Tissue Management And Cosmetic Periodontal Surgery, Pinnacle Study Club, Tampa, FL, December 5, 2001.
- Featured Lecturer, Principles of Dental Suturing Around Dental Implants And Aesthetic Plastic Closure, Yankee Dental Meeting, January 31, 2002.
- Featured Lecturer, Principles of Aesthetic Flap Closure Around Teeth And Dental Implants, Yankee Dental Meeting, January 31, 2002.
- Featured Lecturer, Principles of Dental Suturing Around Dental Implants And Aesthetic Plastic Closure, Yankee Dental Meeting, February 1, 2002.
- Featured Lecturer, Principles of Aesthetic Flap Closure Around Teeth And Dental Implants, Yankee Dental Meeting, February 1, 2002.
- Featured Clinician – Luncheon for Learning, The Use of Adjunctive Orthodontic Therapy For Complex Dentistry, Yankee Dental Meeting, February 1, 2002.
- Featured Lecturer, Achievement Of The Healthy Maintainable Aesthetic Functional Interface, Chicago Dental Society 2002 Midwinter Meeting, February 23, 2002.
- Featured Lecturer, Practical, Predictable Keys To Esthetic Implant Dentistry, Chicago Dental Society 2002 Midwinter Meeting, February 24, 2002.
- Featured Speaker, Principles Of Aesthetic Integration, Northern District Dental Society Spring Meeting, Atlanta, GA, April 12, 2002.
- Featured Speaker - Smile Design, The Pearls of Success, North Georgia Dental Society, North Georgia Baptist Hospital Medical Center, April 2002.
- Featured Clinician, Principles Of Periodontics As It Relates To Natural Teeth, Dental Implants, Regeneration And Soft Tissue Manipulation, Academy General Dentistry Mastership, University of Maryland School of Dentistry, April 17-18, 2002.
- Featured Clinician, Periodontics Lectures, AAID Fellowship, Augusta, GA, May 17, 2002.
- Featured Clinician, Perioimplantodontics Laboratory With Hands On Surgical Flap Manipulation, GBR, Tissue Augmentation, Suture and Closure Techniques, Augusta, GA, May 18, 2002.
- Featured Speaker - Flap Manipulation for Periodontal Surgery around Teeth and Dental Implants, Alabama Society of Periodontists, Birmingham, Alabama, Saturday, August 24, 2002.
- Guest Lecturer - Symposium on The Dental Endoscope, American Academy of Periodontology Meeting, New Orleans, Louisiana - Thursday, September 26, 2002.

PRESENTATIONS (cont.)

- Featured Speaker - Clinical Uses of the Dental Endoscope for the Restorative and Surgical Practitioner and Hygiene Therapist, Tufts University School of Dental Medicine, Friday, October 11, 2002.
- Featured Speaker - Hard and Soft Tissue Regeneration: A Step-by-Step Approach, Korea, October 19, 2002.
- Featured Speaker - Hard and Soft Tissue Regeneration: A Step-by-Step Approach, Taiwan, October 20, 2002.
- Featured Speaker - Advance Flap Manipulation and Closure for Predictable Results with Periodontic Plastic and Bone Augmentation Surgery, New York University School of Graduate Studies - November 15, 2002, 8:00 AM - 12:00 PM.
- Guest Lecturer - Clinical Utilization of the Dental Endoscope for the Restorative and Surgical Practitioner. Live Demo, New York University School of Graduate Medical and Dental Studies, November 15, 2002, 1:00 PM - 4:00 PM.
- Guest Lecturer - The Dental Endoscope for the Dental Surgeon and Restorative Practitioner. A Live Demo, Columbia University School of Graduate Studies, Saturday, November 16, 2002, 9:00 AM - 12:30 PM.
- Guest Lecturer - Hands on Workshop - The User Friendly Suturing Flap Closure Course. The Greater New York Dental Meeting, New York City, December 3, 2002, 9:00 AM - 12:00 PM.
- Guest Lecturer - Hands on Workshop - Monocortical Bone Grafting - MUSC with Dr. John Russo, Charleston, S.C., June 14 - 15, 2003.
- Guest Lecturer - Practical and Predictable Periodontics for Dentists and Hygiene Therapists, Greater New York Dental Meeting, New York City, December 3, 2002, 2:00 PM - 5:00 PM.
- Featured Speaker - Periodontics and Its Realm with Dental Implantology, AAID Maxi-course. Medical College of Georgia, School of Dentistry, May 17 - 18, 2003.
- Featured Speaker – Complete Surgical and Suturing Techniques. Hands On Course.

AGD

- Mastership, Maryland, December 2003.
- Featured Speaker – Soft Tissue Grafting for Improved Implant Esthetics. North Fulton Implant Study Club, Atlanta, GA, January 2004.
- Featured Speaker – Hands On Course, Hard and Soft Tissue Regeneration. AGD Mastership, University of Maryland, April 2004.
- Featured Speaker – Principles of Surgical Flaps and Closure. Hands On Course. AGD Mastership, Maryland, September 11, 2004.
- Featured Speaker – Principles of Dental Suturing. Hands On Course. ADA Meeting, Orlando, FL, September 30, 2004.

PRESENTATIONS (cont.)

- Featured Speaker – Principles of Dental Suturing. Hands On Course. ADA Meeting, Orlando, FL, October 1, 2004.
- Featured Speaker — Pearls to Obtain a Predictable Aesthetic Result with Implant and/or Natural Tooth Rehabilitations. Alpha Omega International Webcast, November 7, 2004.
- Featured Speaker – Gingival Crown Lengthening, How and When, and its Relationship with Plastic Surgery. Annual AMOSS Cosmetic Symposium, LSU, New Orleans, LA, January 15-17, 2005.
- Featured Speaker – Soft Tissue Grafting, Therapeutic Objectives and Techniques. Scientific Meeting, AGD Maryland, April 14, 2005.
- Featured Speaker – Principles of Dental Suturing and Flap Closure. AAID Maxi-Course, Atlanta, GA, May 17, 2005.
- Featured Speaker – Hands-On Suturing and Soft Tissue Grafting Course. AAID Maxi-Course, Atlanta, GA, May 18, 2005.
- Featured Speaker – Flap Design and Suturing Techniques for Soft Tissue Closure. NYU, New York, July 17th, 2005.
- Featured Speaker – Surgical Closure, Flap Design and Suturing Techniques. Implant Dentistry Continuum. San Francisco, CA, August 20, 2005.
- Featured Speaker – Implant Placement and Surgical Flap Design and Closure Techniques. University of Maryland, September 24, 2005.
- Guest Speaker – Successful Aesthetic Implant and Natural Tooth Anterior Restorations. Southern Georgia Dental Education, Peachtree City, GA, October 7, 2005.
- Featured Speaker – Suturing Techniques for Optimal Flap Closure. Implant Dentistry Continuum. Los Angeles, CA, November 12, 2005.
- Featured Speaker – Suturing Techniques and Soft Tissue Grafting Techniques. Implant Dentistry Continuum. Washington, DC, December 17, 2005.
- Featured Speaker – Suturing Techniques, A Hands-On Course. Yankee Dental Congress, January 27, 2006.
- Featured Speaker – Suturing Techniques, A Hands-On Course. Yankee Dental Congress, January 28, 2006.
- Featured Speaker – Diagnosis and Treatment Planning for Predictable Aesthetic Implant Dentistry. Cruise on NCL Jewel, Cruising the Western Caribbean, February 5-12, 2006.
- Featured Speaker- Placement of Dental Implants- A Hands on Cadeaver Workshop. AGD Continuing Education Course at University of Maryland. Two day course. April 1-2, 2006
- Featured Speaker – Suturing Combined Lecture/Workshop, 2 ½ day Courses. The Star of the South Dental Meeting, Houston, TX, April 22, 2006.
- Featured Speaker – Crown Lengthening: A Prerequisite for Esthetic Therapy. American College of Oral Maxillofacial Surgeons, Las Vegas, NV, May 2, 2006.

PRESENTATIONS (cont.)

- Featured Speaker- Micro Flora and Soft Tissue Surgery. MCG Maxi-Implant Course, Atlanta, Georgia May 13, 2006.
- Featured Speaker- AAID Cadeaver Suture and Soft Tissue Course. 2-Days. Dayton ,Ohio June 9-10, 2006.
- Featured Speaker- AAID Southern District Meeting. Soft Tissue Surgery Around Teeth and Dental Implants. Charleston SC, June 23, 2006.
- Featured Speaker- AGD, Implant Placement and Soft Tissue Surgery. Univ. of Maryland. 2- Day Hands on Course. October 7-8, 2006.
- Featured Speaker- AGD, Advanced Bone Grafting Surgery. Univ of Maryland. 2- Day Hands on Course. October 21-22, 2006.
- Featured Speaker- Advanced Bone Grafting and Implant Placement .A Hands On Course .2- Day. West Palm, Florida. January 2007
- Featured Speaker- Surgical Closure and Suturing Techniques.A Hands on Course. Chicago. Illinois. February 6,2007.
- Featured Speaker- Dental Implants and Soft Tissue Surgery: Mastering Esthetics in The Smile Zone. Utah State Periodontal Annual Meeting. February 9, 2007.
- Featured Speaker- NanoTite A New Revolutionary Surface Technology. Bethesda, Maryland, February 21, 2007.
- Featured Speaker- NanoTite A New Revolutionary Surface Technology. Charlotte, North Carolina, February 22, 2007.
- Featured Speaker- AGD, Advanced Bone Grafting Surgery. Univ of Maryland. 2- Day Hands on Course. February 23-24, 2007.
- Special Lecturer- Suturing for the Dental Practitioner. A Hands on Course. (2) Half day Courses. Hinman Dental Meeting, Atlanta, Georgia , March 2007.
- Special lecturer- Bisphosphonates and their Impact on Clinical Dentistry. Hinman Dental Meeting, Atlanta, Georgia, March 2007.
- Featured Speaker- AAID, Advanced Bone Grafting Surgery. 2- Day Hands on Course. Dayton Medical School. March 23-24, 2007.
- Featured Speaker- Dental Implant Treatment Planning and Placement. A Two- Day Hands On Course. Univ Of Maryland School Of Medicine, Baltimore, Maryland, April 27-28, 2007.
- Featured Speaker- NanoTite A New Revolutionary Surface Technology. Ontario, Canada, May 1, 2007.
- Featured Speaker- NanoTite A New Revolutionary Surface Technology. Albany, New York, May 2, 2007.
- Featured Speaker- NanoTite A New Revolutionary Surface Technology. Bridgewater, New Jersey, May 3, 2007.
- Featured Speaker- NanoTite A New Revolutionary Surface Technology. LaJolla, California, May 9, 2007

PRESENTATIONS (cont.)

- Featured Speaker – Puros Dermis a Revolutionary Guided Bone Regenerative Barrier. 16th Annual International Symposium On Implantology, Boston, Ma May 16, 2007.
- Featured Speaker- Hands- On Aesthetic Crown Lengthening, Frenectomy, Smile Design and Soft Tissue Ridge Augmentation Course. Univ of Maryland Medical School, Baltimore Maryland, May 18-19, 2007.
- Featured Speaker- AAID Maxi-Course. Microbiologic Flora and A Hands-On Suturing and Flap Closure Course. Atlanta Institute for Advanced Education, Atlanta GA, May 20, 2007.
- Featured Speaker- AGD, Advanced Bone Grafting Surgery. Univ of Maryland. 2- Day Hands on Course. June 15-16, 2007.
- Featured Speaker-Periodontal Soft Tissue Grafting Using Acellular Dermal Connective Tissue. 2 Day Hands on Cadaver Course. Baltimore, Maryland -ADE Seminars. August 24-25, 2007.
- Featured Speaker- Dental Implant Diagnosis, Treatment Planning and Placement. A 2 Day Hands On Cadaver Course. Baltimore, Maryland. ADE Seminars. October 5-6, 2007.
- Featured Speaker. AGD- Periodontal Plastic Surgery and Hands On Suturing Course. Lancaster, PA. October 12-14, 2007.
- Featured Speaker- Basic Flap Surgery, Suturing and Socket Grafting Course. A 2- Day Hands On Cadaver Course. Baltimore, Maryland. ADE Seminars. October 25-26, 2007.
- Featured Speaker- Advanced Bone Grafting Surgery. A 2- Day Hands On Course. Univ of Maryland. ADE Seminars. November 30-December 1, 2007.
- Featured Speaker- Advanced Bone Grafting and Implant Placement .A Hands On Course . A 2- Day. West Palm, Florida. January 18-19, 2008.
- Featured Speaker- AAID, Advanced Bone Grafting Surgery. 2- Day Hands on Course. Las Vegas Medical School. January 23-24, 2008.
- Featured Speaker- Oral Rehabilitation With Dental Implants. Tel-Aviv University, Isreal. January 30-31, 2008.
- Featured Speaker-Periodontal Soft Tissue Grafting Using Acellular Dermal Connective Tissue. 2 Day Hands on Cadaver Course. Baltimore, Maryland -ADE Seminars. February 15-16, 2008.
- Special Lecturer- Suturing for the Dental Practitioner. A Hands on Course. (2) Half day Courses. Hinman Dental Meeting, Atlanta, Georgia , March 13 & 14, 2008.
- Featured Speaker- Dental Implant Diagnosis, Treatment Planning and Placement. A 2 Day Hands On Cadaver Course. Baltimore, Maryland. ADE Seminars. March 28-29, 2008.
